COUNCILLOR STATEMENT

Councillor Aitken made the following statement:

"All members of this Council pledge to the City of Frankston community to consider every item listed on this evening's agenda:

- *Based on the individual merits of each item;*
- *Without bias or prejudice by maintaining an open mind; and*
- *Disregarding Councillors' personal interests so as to avoid any conflict with our public duty.*

Any Councillor having a conflict of interest in an item will make proper, prior disclosure to the meeting and will not participate or vote on the issue."

Chairperson's initials *S. Mayer*

PRAYER

At the request of the Mayor, Councillor Cunial read the Opening Prayer.

ACKNOWLEDGEMENT OF TRADITIONAL OWNERS

Councillor McCormack acknowledged the Boon Wurrung and Bunurong peoples – the traditional custodians of the land on which we stand and recognised all Aboriginal and Torres Strait Islander peoples who have given to Australia’s identity – from the past, into the present and for the future.

ITEMS BROUGHT FORWARD**11.2 Town Planning Application 343/2019/P- 24 and 26 Playne Street Frankston - To use the land for the sale and consumption of liquor, to construct or carry out buildings and works in a Commercial 1 Zone (C1Z), to display internally illuminated business identification signage and to reduce the number of car spaces required under Clause 52.06-5 and bicycle parking spaces under Clause 52.34 of the Frankston Planning Scheme**

(SC Community Development)

Recommendation (Director Community Development)

That Council resolves to issue a Planning Permit in respect to Planning Permit Application number 343/2019/P To use the land for the sale and consumption of liquor, to construct or carry out buildings and works in a Commercial 1 Zone (C1Z), to display internally illuminated business identification signage and to reduce the number of car spaces required under Clause 52.06-5 and bicycle parking spaces under Clause 52.34 of the Frankston Planning Scheme at 24 and 26 Playne Street Frankston, subject to the following conditions:

Plans

1. Before the use and development starts, amended plans to the satisfaction of the Responsible Authority must be submitted to and approved by the Responsible Authority. When approved, the plans will be endorsed and will then form part of the permit. The plans must be drawn to scale with dimensions and three copies must be provided. The plans must be substantially in accordance with the plans submitted with the application (or some other specified plan) but modified to show:
 - (a) The access and turning area for waste collection vehicles at the rear of 24 Playne Street via Arthurs Lane.
 - (b) Delete reference to car parking spaces for the proposed use at the rear of the 24 and 26 Playne Street on all relevant plans.
 - (c) Delete the footpath seating area unless approval is obtained under Local Laws.
 - (d) The Waste Management plan amended to include waste collection vehicles access is to be provided from rear of 24 Playne Street.
 - (e) The Venue/Patron Management Plan amended in accordance with condition 9.

No Alterations

2. The development as shown on the endorsed plans must not be altered without the prior written consent of the Responsible Authority.
3. The licensed area as shown on the endorsed plans must not be altered without the prior written consent of the Responsible Authority.

Amenity

4. The amenity of the area must not be detrimentally affected by the use and development through the:
 - a) Transport of materials, goods or commodities to or from the land;
 - b) Appearance of any building, works or materials;
 - c) Emission of noise, artificial light, vibration, smell, fumes, smoke, vapour, steam, soot ash, dust, waste water, waste products, grit or oil;

Chairperson's initials *S. Mayer*

- d) Presence of vermin; others as appropriate; or
 - e) In any other way.
5. Noise levels emanating from the premises must not exceed those required to be met under State Environment protection Policy (Control of Music Noise from Public Premises), No. N-2.

Liquor Licence Requirements

6. The sale and consumption of alcohol must only take place at the premises during the following hours:
- a. Hotel premises - Sale and consumption of liquor
 - Sunday 12noon to 11.30pm
 - Monday 12noon to 11pm
 - Tuesday and Wednesday 12noon to 11.30pm
 - Thursday to Saturday 12noon to 1am the following day.
 - Good Friday and Anzac day – 1pm to 10pm
 - b. Bottle shop - Sale and consumption of liquor
 - Monday to Sunday 12noon to 11pm
 - Anzac Day and Good Friday 1pm to 9pm

Patron Numbers

7. Not more than 250 patrons may be present on the premises at any one time.

Satisfactorily Completed

8. Once the development has started it must be continued and completed to the satisfaction of the Responsible Authority.

Patron/Venue Management Plan

9. Prior to the commencement of use, an amended Management plan must be submitted, for approval to the satisfaction of the responsible authority. When approved, the plan will be endorsed and will then form part of the permit. All activities forming part of the use must be generally in accordance with the Patron/Venue Management Plan including details as follows:
- a) Renaming of the plan to Patron/Venue Management Plan;
 - b) Hours of Operation (on the premises and off the premises);
 - c) Venue shut down procedures to encourage the patrons to leave the premises sporadically.
 - d) The number of patrons admitted on site at any one time;
 - e) Signage to be used to encourage responsible off-site patron behaviour;
 - f) The training of staff and the management of patron behaviour;
 - g) Measures to control noise emissions from the premises and amenity control;
 - h) Measures to prevent vandalism and antisocial behaviour;
 - i) Details to address waste including bottles, rubbish and reduce generated by the use;
- All to the satisfaction of a Responsible Authority.

Signage Requirements

10. The signs hereby permitted must be constructed to the satisfaction of the Responsible Authority, and must be maintained to the satisfaction of the Responsible Authority.
11. For the advertising signs the permit expires 15 years from the date of this permit.
12. Upon expiry of the approved signage, all structures built specifically to support the structure must subsequently be removed.

Permit Expiry

13. This permit will expire if one of the following circumstances applies:
 - The development is not started within two (2) years of the date of this permit.
 - The development is not completed within four (4) years of the issued date of this permit.
 - The use is not commenced within two (2) years of the date of this permit.
 - The use ceases for a continuous period of two (2) or more years.

In accordance with Section 69 of the Planning and Environment Act 1987, an application may be submitted to the Responsible Authority for an extension of the periods referred to in this condition.

Notes

- A. Any request for an extension of time, or variation/amendment of this permit must be lodged with the relevant fee.
- B. Prior to the commencement of construction the operator of this planning permit must obtain a non-refundable Asset Protection Permit from Frankston City Council's Infrastructure Department.
- C. Any request for time extension of this Permit shall be lodged with the relevant administration fee at the time the request is made. Pursuant to Section 69 of the Planning and Environment Act 1987 the Responsible Authority may extend the periods referred to if a request is made in writing within the following prescribed timeframes:
 - a. Before or within 6 months after the permit expiry date, where the use or development allowed by the permit has not yet started;
 - b. Within 12 months after the permit expiry date, where the development allowed by the permit has lawfully started before the permit expires.

If a request is made out of time, the Responsible Authority cannot consider the request and the permit holder will not be able to apply to VCAT for a review of the matter.

Deferral Motion to another Council Meeting**Moved: Councillor Hampton****Seconded: Councillor Cunial**

That the matter be deferred to the 16 December 2019.

Carried Unanimously

Carried UnanimouslyChairperson's initials *S. Mayer*

14.1 2019/NOM50 - Climate Emergency

(TC Chief Executive Office)

Council Decision**Moved: Councillor Hampton****Seconded: Councillor Cunial**

1. That Frankston Council:
 - a. Acknowledges that current levels of global warming and future warming already committed constitute nothing less than a climate emergency for most life on this planet, requiring an emergency response by all levels of government, including local government;
 - b. Resolves to review and update Council's Climate Change Impact and Adaption Plan (2011) to guide the climate emergency response by Council, to be prepared by the Chief Executive Officer within 12 months of the date of this resolution; and
 - c. Undertakes to work with the Frankston community to raise awareness of the climate emergency and support community action to mitigate greenhouse gas emissions and build resilience.
2. Council calls upon the Australian State and Federal Governments to:
 - a. Declare a climate emergency; and
 - b. Back this up with legislated programs to drive emergency action to reduce greenhouse gases and meet the lower target of the Paris Agreement to keep global warming below 1.5 degrees.

Carried Unanimously

14.3 2019/NOM52 - Kananook Creek Arboretum

(TC Chief Executive Office)

Council Decision**Moved: Councillor Bolam****Seconded: Councillor Aitken**

That a report be provided no later than February 2020 to the Ordinary Meeting on the scope and funding options for the 'Kananook Creek Arboretum' proposal that has been heralded by the Kananook Creek Association and the Frankston Beach Association.

Carried Unanimously

14.4 2019/NOM53 - Councillors Code of Conduct

(VR Chief Executive Office)

Council Decision**Moved: Councillor Aitken****Seconded: Councillor Bolam**

That the Councillor Code of Conduct be reconsidered in respect of the wording and points laid out. This is to be undertaken in the first instance with individual councillors and any suggestions they may have. Then followed up by general discussion and finally resolved through a formal resolution if any changes are made.

Carried Unanimously

14.6 2019/NOM55 - North-West Projects

(TC Chief Executive Office)

Deferral Motion to another Council Meeting**Moved: Councillor Hampton****Seconded: Councillor Cunial**

That the matter be deferred to the next Ordinary Meeting.

Lost

For the Motion: Crs Cunial and Hampton

Against the Motion: Crs Aitken, Bolam, Mayer, McCormack and O'Connor

Council Decision**Moved: Councillor Bolam****Seconded: Councillor Aitken**

That Council prepares a report for the January 2020 Ordinary meeting to investigate the following:

1. Funding \$10.93M from the Strategic Reserve to address the current funding shortfalls as listed below and proceeds with delivering the following capital works:
 - a) Pat Rollo Pavilion (\$2.75M shortfall).
 - b) Monterey Pavilion and public toilet upgrade (\$3.3M shortfall).
 - c) Belvedere Bowls Clubhouse (\$1.98M shortfall) and construction of additional asphalt car park with plantings (\$400K required).
 - d) Frankston Health and Wellbeing Hub – formerly Linen House (\$2.5M required).

Notes any of the above funds that are not fully expended on these projects would be returned to the Strategic Reserve.

2. Funding the construction of the Eric Bell Pavilion project in its entirety (total cost of \$6.25M, inclusive of a State Government contribution of \$500K), and that the project is to be funded via an appropriate loan arrangement (giving consideration to CILS or an equivalent low interest loans scheme).

Carried

For the Motion: Crs Aitken, Bolam, Mayer, McCormack and O'Connor

Against the Motion: Crs Cunial and Hampton

8. PRESENTATIONS / AWARDS

Nil

9. PRESENTATION OF PETITIONS AND JOINT LETTERS

11. CONSIDERATION OF TOWN PLANNING REPORTS

11.1 Planning Application 167/2019/P - 3N High Street Frankston - To construct a building and carry out works in a Commercial 1 Zone; to construct buildings and works exceeding 51.10 metres above Australian Height Datum (AHD) in a Design and Development Overlay - Schedule 11 (two (2), forty-eight (48) metre high light towers)

(SC Community Development)

Council Decision

Moved: Councillor Hampton

Seconded: Councillor Aitken

That Council resolves to issue a Notice of Decision to Grant a Planning Permit in respect to Planning Permit Application number 167/2019/P for to construct a building and carry out works in a Commercial 1 Zone; to construct buildings and works exceeding 51.10 metres above Australian Height Datum (AHD) in a Design and Development Overlay - Schedule 11(two (2), forty-eight (48) metre high light towers) at 3N High Street Frankston and part of Plowman Place Reserve, subject to the following conditions:

No Alterations

1. The development as shown on the endorsed plans must not be altered without the prior written consent of the Responsible Authority.
2. The location and details of the structures shown on the endorsed plan must not be altered without the written consent of the Responsible Authority.

Vegetation protection and landscaping

3. Prior to the commencement of works, including the removal of vegetation, tree protection must be carried out in accordance with the Australian Standard AS 4970-2009 Protection of trees on development sites and the Construction Impact Assessment and Tree Protection Plan prepared by Arbor Survey dated 26 February 2019 to the satisfaction of the Responsible Authority.

Re-planting

4. Prior to the commencement of works, including the removal of the trees, a plan showing the proposed location of the replacement planting must be submitted to and approved by the Responsible Authority. When approved, the plan will be endorsed and will then form part of the permit. The plan must show:
 - a minimum of six (6) indigenous canopy trees with a minimum mature height of 15m, species to be selected from the EVC002 – Coast Banksia Woodland.
 - All trees are to be a minimum two (2) metres tall when planted.
 - All species selected must be to the satisfaction of the Responsible Authority.
5. Within two (2) months of the removal of the tree(s) allowed by this permit (or if the timing is unsuitable for effective planting and establishment as agreed by the Responsible Authority not later than the end of the following May) replacement planting as shown on the endorsed plan(s) must be provided to the satisfaction of the Responsible Authority and thereafter maintained to the satisfaction of the Responsible Authority.

Amenity

6. The exterior colour and cladding of the light towers must be of a non-reflective nature and/or either painted or have a pre-painted finish in natural, muted tones (or such other colour as is approved by the Responsible Authority).
7. The number of events for which the lights are utilised with lighting levels exceeding 500 lux must not exceed six (6) per calendar year, except with the prior written consent of the Responsible Authority.
8. The use of the lights for broadcasting purposes must not be between the hours of 10.30 pm to 7.30 am, except with the prior written consent of the Responsible Authority.
9. The amenity of the area must not be detrimentally affected by the development through the:-
 - Transport of materials, goods or commodities to or from the land;
 - Appearance of any building, works or materials;
 - Emission of noise, artificial light, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, waste water, waste products, grit or oil;
 - Presence of vermin;
 - Others as appropriate; or
 - In any other way.
10. All lighting must comply with the Australian Standard 4282:2019: Control of the Obtrusive Effects of Outdoor Lighting to the satisfaction of the Responsible Authority.

Satisfactorily Completed

11. Once the development has started it must be continued and completed to the satisfaction of the Responsible Authority.

Permit Expiry

12. This permit will expire if one of the following circumstances applies:
 - The development is not started within two years of the date of this permit.
 - The development is not completed within four years of the issued date of this permit.

In accordance with Section 69 of the Planning and Environment Act 1987, an application may be submitted to the Responsible Authority for an extension of the periods referred to in this condition.

Notes

- Any request for an extension of time, or variation/amendment of this permit must be lodged with the relevant fee.
- Prior to the commencement of construction the operator of this planning permit must obtain a non-refundable Asset Protection Permit from Frankston City Council's Infrastructure Department.
- Any request for time extension of this Permit shall be lodged with the relevant administration fee at the time the request is made. Pursuant to Section 69 of the Planning and Environment Act 1987 the Responsible Authority may extend the periods referred to if a request is made in writing within the following prescribed timeframes:
 - Before or within 6 months after the permit expiry date, where the use or development allowed by the permit has not yet started;

Chairperson's initials *S. Mayer*

- Within 12 months after the permit expiry date, where the development allowed by the permit has lawfully started before the permit expires.

If a request is made out of time, the Responsible Authority cannot consider the request and the permit holder will not be able to apply to VCAT for a review of the matter.

12.11 Neighbourhood Houses Section 86 Committee

(TB Community Development)

Recommendation (Director Community Development)

That:

1. The feedback from Neighbourhood House Committees of Management be noted.
2. In the exercise of the powers conferred by sections 86 and 87 of the Local Government Act 1989, Council resolves that:
 - (i) the Frankston Neighbourhood Houses Committee be established as a special committee;
 - (ii) the purpose of the Committee established by this resolution is to perform Council's duties and functions and exercise Council's powers in relation to the strategic direction, roles and function of Neighbourhood Houses in Frankston, as detailed in the attached Instrument of Delegation (Attachment A).
 - (iii) a further report be presented to Council with recommendations regarding the appointment of the inaugural members of the Committee.
3. The Instrument of Delegation referred to above:
 - (i) be signed and sealed; and
 - (ii) will come into force immediately upon the common seal of Council being affixed to the Instrument.
4. Notes the Section 86 Committee is in addition to the Committees of incorporated associations managing the Neighbourhood Houses
5. A report be provided to Council following the first 12 months of the Committee's operation, to review future options.
6. Council notes the minutes of committee meetings will be presented to Council following each meeting.

Council Decision

Moved: Councillor Hampton

Seconded: Councillor Aitken

That the matter is deferred until Councillors can have conversations with all the current community house committees.

Carried Unanimously

The meeting was adjourned for five minutes at 9.23 pm

The meeting resumed at 9.31 pm

12.14 Options to Reduce Sedimentation at Kananook Creek Entrance

(DD Community Assets)

Cr O'Connor returned to the Chamber at 9.33pm

Recommendation (Director Community Assets)

That Council:

1. Notes the investigations undertaken and preferred concept options to better manage sedimentation at the entrance to Kananook Creek;
2. Supports further investigation into improved dredging strategies and availability of more efficient dredging equipment, including for risks and costs for delivery by Council;
3. Undertakes a trial dredging program using this preferred methodology following the further investigations;
4. Notes previous consultation by Council officers with key stakeholders; and
5. Supports Council officers to establishing a working group comprising State Government departments and key community stakeholders to develop a governance model for Kananook Creek.

Council Decision

Moved: Councillor Bolam

Seconded: Councillor Aitken

That Council

1. Notes the investigations undertaken and preferred concept options to better manage sedimentation at the entrance to Kananook Creek;
2. Supports further investigation into improved dredging strategies and availability of more efficient dredging equipment, subsequently undertaking a trial dredging program;
3. Notes previous consultation by Council officers with key stakeholders; and
4. Supports Council officers to establishing a working group comprising Councillors, State Government departments and key community stakeholders to develop a governance model for Kananook Creek with the outcomes of the working group and ongoing sedimentation and siltation management to be reported to Council by no later than June 2020 Council Ordinary Meeting.

12.15 Peninsula Reserve - Proposed New Public Toilet

(JR Community Assets)

Council Decision**Moved: Councillor Hampton****Seconded: Councillor Aitken**

That Council:

1. Notes \$10K was allocated in FY 19/20 for a feasibility study and concept design for a public toilet within Peninsula Reserve;
2. Provides in principal approval of the concept design and authorises officers to commence community consultation this financial year 2019/2020;
3. Refers \$350K in the FY 20/21 for design and delivery of the toilet facility; and
4. Refers ongoing maintenance cost including cleaning, security and general planned maintenance costs of \$12K per year from FY 21/22.

Carried Unanimously**Note:** Refer to Page 16 of the Minutes where this item is block resolved

12.16 Best Street Awards

(TB Community Development)

Council Decision**Moved: Councillor Bolam****Seconded: Councillor Aitken**

That Council:

1. Notes the Best Street Award has received four applications, despite extensive advertising.
2. Approves the applicants as finalists in Best Street Awards and be presented with a street sign recognising them as "Finalist 2019 Best Street Award".
3. Approves the recommended winner as selected by the project working group (refer Attachment A) be acknowledged and also receive a barbeque pack and sustainable living kit and their street sign to read "Winner 2019 Best Street Award".
4. Acknowledges all recipients at a barbeque at Beauty Park or similar event in December 2019 where the Mayor will also announce the overall winner.
5. Reallocates the funding of \$15K in the 2020/21 budget towards building the capacity of other community strengthening initiatives that align with the original project intent of "promoting behaviour change and pride in streets and neighbourhoods" (eg. Love Where You Live projects and Neighbour Day events).

Carried Unanimously

12.18 Connecting Malls Program Update

(VG Community Assets)

Council Decision**Moved: Councillor Hampton****Seconded: Councillor Aitken**

That Council:

1. Endorses the Clyde Street Mall and Station Street Mall Stage 2 concepts plan;
2. Approves the commencement of a public exhibition period for 4 weeks on the proposed concept plans;
3. Authorises commencement of the statutory process to consider the closure of a section of Clyde Street Mall in Frankston, between Balmoral Avenue and Ross Smith Avenue East, to vehicular traffic including;
 - a) Public notice of the proposed road closure in accordance with the requirements of the Local Government Act 1989.
 - b) Referral of the proposal to emergency service authorities for comment.
4. Notes that a report will be presented to Council in March 2020 on the outcome of statutory process.

Carried Unanimously**Note:** Refer to Page 16 of the Minutes where this item is block resolved

12.19 Lawton Reserve Master Plan

(TB Community Development)

Council Decision**Moved: Councillor Hampton****Seconded: Councillor Aitken**

That Council:

1. Notes the Langwarrin Soccer Club and the Langwarrin Equestrian tenants have requested consideration of expanding their activities to cater for increased competition.
2. Notes a Notice of Motion was resolved at OM 12 August 2019 to assess costs and possible funding allocation in the 2019/20 mid-year budget review.
3. Notes the Open Space Strategy, which is recommended to be reviewed and updated in 2020/21 rates Lawton Reserve as the 18th priority and Langwarrin Equestrian Reserve, Southgateway Reserve, North Reserve and Stringybark Reserve as the 10th priority.
4. Undertakes the community consultation as part of the master planning process for Lawton, Langwarrin Equestrian Reserve, North Reserve, Stringybark Reserve and Southgateway Reserve using existing 2019/20 capital works funding.
5. Refers \$70K to the 2020/21 annual budget for the completion of the master planning process for Lawton Reserve, Langwarrin Equestrian Reserve, North Reserve, Stringybark Reserve and Southgateway Reserve.

Carried Unanimously**Note:** Refer to Page 16 of the Minutes where this item is block resolved

12.20 Response to Petition - Request for Safety Audit - McCormicks Road, Skye
(DD Community Assets)**Council Decision****Moved: Councillor Hampton****Seconded: Councillor Aitken**

That Council:

1. Notes a petition with 552 signatures requesting an urgent safety audit of the crossing point and pedestrian refuge on McCormicks Rd, Skye to improve pedestrian access and safety;
2. Notes a Road Safety Audit has been completed by HDS Australia with audit findings and suggestions/recommendations to improve pedestrian access and safety;
3. Seeks a Memorandum of Authority (MOA) from the Department of Transport (DoT) for the installation of pedestrian operated signals outside Oak Tree Retirement Village to improve pedestrian access and safety across McCormicks Road;
4. Liaises with State and Federal Governments to seek support and funding for the installation of pedestrian operated signals in McCormicks Road; and
5. Advises the Head Petitioner accordingly.

12.21 Further Response to Petition - Construction of Kelvin Grove, Langwarrin

(DD Community Assets)

Council Decision**Moved: Councillor Hampton****Seconded: Councillor Aitken**

That Council:

1. Notes the survey results from the consultation undertaken with property owners in Kelvin Grove, Langwarrin, in relation to the construction of the road through a Special Charge Scheme;
2. Not proceed with further investigations to construct Kelvin Grove through a Special Charge Scheme at this stage due to lack of support from at least 50% of property owners; and
3. Advises the Head Petitioner accordingly.

Carried Unanimously**Note:** Refer to Page 16 of the Minutes where this item is block resolved

12.22 Nat's Track Update

(GK Community Development)

Recommendation (Director Community Development)

That Council:

1. Notes Council officers have facilitated community stakeholder consultation to confirm concerns and identify solutions to render Nat's Track safer for pedestrians.
2. Refers \$13,400 to the 2019/2020 midyear budget review for:
 - \$1,000 for warning signs
 - \$10,400 as a grant to Peninsula Kingswood Country Golf Club towards the construction and installation of access gates at either end of Nat's Track
 - \$2,000 as a grant contribution to Monterey Secondary College VCAL for a school based project to construct landscaped chicanes
3. Notes it has the option to resolve \$80,000 to the 2020/21 annual budget process (as per NOM2018/25) for consideration of the installation of a CCTV camera on Skye Road at the end of Nat's Track.
4. Continues to negotiate with Long Island Golf Club to replace and maintain the fence along Nat's Track.
5. Continue to work with Coleman Foundation to develop a volunteer program that will improve passive security of Nat's Track.
6. Notes these recommendations address priority 72 of the Open Space Strategy.

Councillor Aitken left the chamber at 9.39 pm

Councillor Aitken returned to the chamber at 9.40 pm.

Council Decision

Moved: Councillor Hampton

Seconded: Councillor Cunial

That Council:

1. Notes Council officers have facilitated community stakeholder consultation to confirm concerns and identify solutions to render Nat's Track safer for pedestrians.
2. Authorises officers to refer \$16,000 to the 2019/20 Midyear Budget Review for the following:
 - \$1,600 for warning signs (ie. gates, CCTV, how to report anti-social behaviour etc)
 - \$10,400 as a grant to Peninsula Kingswood Country Golf Club towards the construction and installation of access gates at either end of Nat's Track
 - \$4,000 as a grant contribution to Monterey Secondary College VCAL for a school based project to construct landscaped chicanes
3. Refers \$80,000 to the 2019/20 Midyear Budget Review for a CCTV camera on the Skye Road end of Nat's Track.
4. Notes that the Department of Education and Training has agreed with Council, to install a CCTV camera on the Messmate Rd end of Nat's Track.

Chairperson's initials *S. Mayer*

5. Continues to negotiate with Long Island Golf Club and Peninsula Kingswood County Golf Club to replace and maintain the fence along Nat's Track.
6. Continue to work with Coleman Foundation to develop a volunteer program that will improve passive security of Nat's Track.
7. Notes these recommendations address priority 72 of the Open Space Strategy.
8.
 - a) Requires a further report be provided at the February 2020 Ordinary Meeting on costings for sporadic solar lighting at strategic intervals of the track, gateways beautification (Frankston North and Karingal ends), a befitting memorial/vigil in honour of Natalie Russell (with input from the Russell family and John Paul College) and tree/vegetation plantings in Messmate Street and Skye Road leading to the access and egress points to Nat's Track (with involvement / participation of students from John Paul College).
 - b) The same report is to provide an update / schedule of the replacement fencing along Nat's Track by the adjoining golf clubs and the installation of a CCTV camera by the Department of Education.

Lost

For the Motion: Crs Cunial, Hampton and O'Connor

Against the Motion: Crs Aitken, Bolam, Mayer and McCormack

Council Decision

Moved: Councillor Bolam

Seconded: Councillor Aitken

That Council:

1. Notes Council officers have facilitated community stakeholder consultation to confirm concerns and identify solutions to render Nat's Track safer for pedestrians.
2. Authorises officers to allocate \$16,000 through the 2019/20 capital works variation process (eg. Wingham Park project savings) for the following:
 - \$1,600 for warning signs (ie. gates, cctv, how to report anti-social behaviour etc)
 - \$10,400 as a grant to Peninsula Kingswood Country Golf Club towards the construction and installation of access gates at either end of Nat's Track
 - \$4,000 as a grant contribution to Monterey Secondary College VCAL for a school based project to construct landscaped chicanes
3. Commits \$80,000 in the 2019/20 Midyear Budget Review for a CCTV camera on the Skye Road end of Nat's Track.
4. Notes that the Department of Education and Training has agreed with Council, to install a CCTV camera on the Messmate Rd end of Nat's Track
5. Continues to negotiate with Long Island Golf Club and Peninsula Kingswood County Golf Club to replace and maintain the fence along Nat's Track.
6. Continue to work with Coleman Foundation to develop a volunteer program that will improve passive security of Nat's Track.

13.7 Response to 2019/NOM48 and Petition - Langwarrin Library and Family Centre

(JF Community Development)

Recommendation (Director Community Development)

That Council:

1. Notes a petition of 499 signatures was received against the proposed development of the Langwarrin Library and Family Centre located at Lloyd Park North at Pindara Boulevard.
2. Following Council's decision at 2019/OM13 14 October in response to NOM48 to cease further engagement of the community in regard to the siting of the kindergarten and library at Pindara Boulevard and review alternative locations, Officers formally wrote to the head petitioner and advised them of Council's decision.
3. Notes Officers will update the head petitioner of any other subsequent decisions of Council relating to the proposed development at Lloyd Park North.
4. Authorises officers to advise Wonnai and Langwarrin kindergartens that Council has no plans to close the kindergartens.

Council Decision

Moved: Councillor McCormack

Seconded: Councillor Hampton

Alternate

That Council:

1. Notes a petition of 499 signatures was received against the proposed development of the Langwarrin Library and Family Centre located at Lloyd Park North at Pindara Boulevard.

14. NOTICES OF MOTION**14.2 2019/NOM51 - Community Safety in the CAA**

(VR Chief Executive Office)

Council Decision**Moved: Councillor Hampton****Seconded: Councillor Aitken**

That Council notes the recent Community Safety Meetings held by Cr Toms and continued by Cr Aitken which has involved a number of participants including council officers, John Billings representing Frankston Traders Group, various traders and other parties.

Requests that future meetings be closely minuted detailing issues and suggestions, and that such minutes be tabled with Council at the next Ordinary Meeting in the Open Agenda.

Requests further that any issues raised at these meetings, initiatives or ideas and/or requests to Frankston Police, be forwarded in detail to Frankston Police requesting detailed responses to the issues and in turn these responses be tabled in a report for the next appropriate Ordinary Meeting.

14.5 2019/NOM54 - Mass Tree Planting Program

(VR Chief Executive Office)

Council Decision**Moved: Councillor Hampton****Seconded: Councillor Aitken**

That the Urban Forest Action Plan report, due before Council in early 2020, is to include an option for the consideration by Council for the implementation of a bulk tree planting program throughout the municipality within a twelve - fifteen month period.

The option detail in the report is to include areas where plantings could be located, the kind of plantings, public and private uptake, potential costs and the approaches employed by other municipalities that have initiated similar (if not greater) mass tree planting initiatives within a twelve month period such as Hornsby, Maroondah, Onkaparinga and Murray.

That the matter of Responsible Gambling Codes of Conduct Review be accepted as Urgent Business.

Carried Unanimously

Urgent Business - Responsible Gambling Codes of Conduct Review**Council Decision****Moved: Councillor Aitken****Seconded: Councillor Cunial**

That a letter as noted below be sent to the Honourable Marlene Kairouz MP supporting the Reforms to Responsible Gambling Codes to be signed by the Mayor, Cr Sandra Mayer.

Dear Minister,

RESPONSIBLE GAMBLING CODES OF CONDUCT REVIEW

Frankston City Council supports the following reforms to Responsible Gambling Codes of Conduct for EGM venues to protect our local community from harm:

- *All pokies venue staff are prohibited from engaging in activities aimed at increasing the amount of money people lose.*
- *All venue staff be required to monitor people gambling to identify signs a person is being harmed by gambling. Further, venue staff should be required to intervene and offer assistance to people displaying signs they are being harmed by their gambling, as is already the case under laws in New Zealand and Switzerland. This should include asking someone who has displayed significant signs of gambling harm to have to leave the venue and not come back for at least 24 hours.*
- *Introduce mandatory breaks and maximum daily limits on gambling time.*
- *The Code forbids the provision of free drinks (excluding water) in the pokies area of the venues and encourages people to take a break by having to go to other parts of the venue for food and drinks.*
- *The Code should prohibit the giving of gifts, inducements or any other item of value to people who are gambling.*
- *The Code should require pokie venues to assist in any research around reducing gambling related harm that has been approved by the Victorian Government.*

We sincerely hope that the Andrews Labor government will act quickly to ensure these reforms are implemented. At present, our community experiences very high levels of harm as a result of poker machines in local venues and we see no evidence that current venue codes of conduct are protecting community members. Indeed, there is

Chairperson's initials *S. Mayer*

an increasing body of academic research which has found them to be ineffective.

We note that taking action to strengthen venue responsible gambling provision was part of the Victorian Labor platform in your successful 2018 campaign and we look forward to seeing the outcome of this review, ideally with some decisive and effective new measures.

We would very much appreciate an update on progress in this area and your advice as to any further actions our council could undertake to ensure that communities are better protected from pokies harm in the future.

That the matter of Medically Assisted Treatment of Opioid Dependence be accepted as Urgent Business.

Carried Unanimously

Urgent Business - Medically Assisted Treatment of Opioid Dependence

Council Decision

Moved: Councillor O'Connor

Seconded: Councillor Cunial

That Council

1. Acknowledges the RADFMP's (Responding to Alcohol & Other Drugs – Frankston Mornington Peninsula) work to enhance access to Medically Assisted Treatment of Opioid Dependence (MATOD) through a demonstration pilot of a collaborative model between GPs and pharmacists in the Frankston Mornington Peninsula catchment.
2. Authorises the Mayor to sign the letter as noted below proposing the pilot
*Dear Minister Hunt/ Minister Mikakos/ Minister Foley (only one to appear on actual letter),
We are writing to seek your consideration of the attached proposal and investment request for a **Prescriber/Pharmacy Collaborative Shared-Care Model Demonstration Project across the Frankston-Mornington Peninsula Catchment.**
Stakeholders have come together through the RAD-FMP (Responding to Alcohol and other Drugs across Frankston Mornington Peninsula) project, including the Pharmacy Guild, the Pharmaceutical Society, AMA Victoria, Monash Addiction Research Centre, Monash University Faculty of Pharmacy, the Area 4 Pharmacotherapy Network based at SEMPHN, and local and state government, to develop a collaborative response to the critical need for improved access to treatment of opioid dependence.
Extensive efforts have sought to increase prescribers to deliver medically-assisted treatment of opioid dependence (MATOD) in the Frankston Mornington Peninsula (FMP) region, but despite these efforts there has been insufficient growth in prescriber capacity. Furthermore, demands for MATOD are likely to increase due to a confluence of factors including: increasing prevalence of dependence on pharmaceutical opioids, the introduction of SafeScript resulting in the identification of more people in need of opioid substitution treatment and an ageing cohort of GP MATOD prescribers.
Although there has been a sharp focus on Frankston, these problems are not*

Chairperson's initials *S. Mayer*

unique to the region with pharmacotherapy prescriber shortages affecting opioid treatment capacity in many parts of Australia. There is an urgent need to explore opportunities to enhance access to MATOD. This proposed project aims to demonstrate the potential of a shared-care collaborative model between GPs and Community Pharmacists to improve access and continuity of care for people with opioid dependence disorders. The FMP provides the ideal location to implement a demonstration project in both metro and regional locations so that findings could then be scaled up across Victoria and other parts of Australia where treatment shortages are similarly severe. We, the undersigned, are keen to see this project progress and enthusiastic about working in partnership on implementation.

Dated this

day of

2019

QUESTION TIME

These Questions With Notice were presented at the Ordinary Meeting 2019/13 – 14 October 2019. As the submitter was in the gallery at the time, the questions and answers were read out publicly. In accordance with the Public Submissions and Question Time Policy, the questions and response(s) are published at the next Ordinary Council Meeting Minutes.

Evie Reynolds**Question 1**

If you are to close, not relocate but close, Wonnai Preschool and Langwarrin Preschool, you will be leaving an entire area of Langwarrin without a preschool within reasonable walking distance. Can you please explain how this is best practice and 'servicing community needs for the future'?

Response by Director Community Development

To understand the needs of the community, statistical/ population trend analysis is undertaken to forecast future demand including where the demand is likely to emerge (e.g. the age profile of a community changes over time). The growing demand, particularly with the funding of three year old kinder, and the capacity of existing facilities to cater for the growth must also meet statutory regulations, which in the case of the facilities relates to regulation space per child. As Such, Council invests in new and expanded facilities to ensure services can be provided.

Question 2

Considering that Wonnai Preschool is exceeding the National Quality Standards and recent DET survey data indicated a high satisfaction rating from the community (higher than surrounding preschools) it is astonishing that you would insist that we are no longer 'fit for purpose'. Clearly there is a need for a preschool that caters for a more individualised approach and Wonnai offers that. It is apparent in the information we have received that any future development eg. Super Centre would be operated by CKP, therefore not a Community run Preschool. This would be reducing parent choice within the Langwarrin area and offering 'cookie cutter' educational experiences for children and families. Having seen this fail and continue to fail in Karingal, how do you propose this to be a good idea and how does it align with current studies that demonstrate individualised learning and parent involvement and 'sense of ownership' in the educational facility is paramount in early years development?

Response by Director Community Development

Council has a commitment to quality early years education and support. Council is not however, directly involved in the delivery of kinder services / teaching programs.

CKP is a cluster manager for community kindergartens running sessional kindergarten.

The quality of kindergarten services is subject to State Government policy, specifically Department Education and Training. Council's role is to support State Government's investment in early years by providing suitable kindergarten facilities and managing enrolments so as to ensure the facilities benefit the optimum number of eligible children.

The physical condition and 'fitness for purpose' of existing building and playground facilities were assessed in 2016. It is important to note the "fit for purpose" assessment relates to whether and how the building meets government regulations and supports the current and future service demand needs. Projections of demand for kinder services including enough space 3 year old kinder also needs to be considered.

Current best practice considers grouping complementary services together e.g. maternal and child health with kindergartens, capacity to run parenting education and also supported playgroups.

Question 3

Given that your current enrolment data for sessional preschool programs demonstrates a drop in numbers, why do you continue to state there is a growing need for preschools in Langwarrin?

Response by Director Community Development

The demand is for preschool places rather than kindergarten buildings. Where possible (i.e. the space and condition of the current building and playground size is suitable) extensions to the building can be considered.

Georgina Holcroft**Question 1**

Wonnai Preschool will be heavily impacted by your plans to create the 'Family Centre', can you please explain why there has been so very little ongoing communication from Frankston Council with the current Committee of Management and Staff?

Response by Director Community Development

Initial consultations commenced with representatives of the Kindergarten Committees of Management and staff in 2017 and were held with all Kindergartens involved. This was followed in February 2018 with 2 half day sessions facilitated by Murdoch Children's Research Institute, attended by Kindergarten staff and Committee representatives. The purpose of the sessions was to discuss and plan community engagement strategies.

In July 2018 the Langwarrin Committees of Management and staff were invited to a meeting to discuss the multiple sites that had been considered and their findings. Further consultation will be scheduled.

Question 2

If there is a need for expansion of preschools in Langwarrin, why are you not exploring the option of expanding the current Wonnai buildings?

Response by Director Community Development

The development of the Integrated Facility is to bring together the services relevant for families and young children which currently do not meet the need of the community including Maternal Child Health and the Library services

Question 3

If you are to push ahead with this development plan, where will your funding be coming from?

Response by Director Community Development

Funding comes from a combination of Rates and grants which is put into Capital works accordingly.

Mr Edward Bryce**Question 1**

Is the council planning to clearly indicate at public parks and sporting ovals that dogs must be "on leash" and under the control of their owners?

I understand that these parks are "dog friendly" but their various owners are not aware that their dogs need to be "on leash"!

I have been "rushed" and "charged" at by dogs off leash and the usual comment is: "It's OK, he won't bite!"

With summer coming and being a grandfather with 2 grandchildren I would like to think I could take them up to the local oval and play with them without the threat of "unpredictable" dogs potentially causing injury.

Response by Director Community Development

Council has 33 free roam parks across the Municipality, if off lead incidents are occurring outside of these free roam parks officers will investigate and undertake pro-active patrols.

Council has and maintains a Domestic Animal Management Plan, a review of this plan is scheduled to commence in early 2020. As part of this review all signage will be assessed and where required additional signs will be installed and updated.

Where there is a specific complaint about a location people are urged to contact Council with the location so it can be investigated and resources allocated accordingly.

Ms Cecilia Webster**Question 1**

Is Frankston City Council going to allow further eroding and degradation of Langwarrins open green spaces , (some of which are part of the state governments VicPlan environment documents PCRZ Public conservation and resource zone and are "High priority stepping stones" for the wildlife corridor along Boggy Creek as stated in Frankston Councils own policies, situated between two conservation zones), and which is essential now and into the future of the health and wellbeing of the Langwarrin community, by developing on this well used green space at Lloyd Park Nth (Pindara Boulevard) for the Neighbourhood Hub development proposal, solely because it is the easiest, most financially affordable option and not necessarily the right option for Langwarrin?

Response by Director Community Development

Council recently sought views from the community regarding a proposed Langwarrin Community Kindergarten and Library in Pindara Boulevard. No decision has been made. Council has received a petition and is investigating its options.

Question 2

As considerable additional traffic will be diverted into the Pindara Estate to the Neighbourhood Hub development will council be undertaking works including the widening of Pindara Boulevard to facilitate movement of the extra non local traffic and better egress for emergency vehicles given the area is a bushfire risk zone and the area already has traffic flow issues including the Pindara Boulevard Frankston Cranbourne Rd intersection which is a high risk vehicle accident area?

Response by Director Community Assets / Director Community Development

Council recently sought views from the community regarding a proposed Langwarrin Community Kindergarten and Library in Pindara Boulevard. No decision has been made on the project and is investigating its options. Council has received a petition and reconsidering its position. Should the facility be developed, Council will initiate a traffic report out and make any necessary improvements to the road network to accommodate the new centre.

Question 3

Would Frankston City Council consider forward planning by purchasing land that is currently privately owned and likely to be handed to developers in the future such as land bordered by Stockhaven Cct. Cranhaven Rd, & Tyrone St, or Warandyte Rd ,Trinity drive & Bechenham place reserve areas, or near the North Rd and Potts Road Developments, areas where the Langwarrin population is more intensified, which maybe more centrally located and have public transport access ,and therefore be more appropriately located for such a development than the Lloyd park Nth proposal?

Response by Director Community Development

Council continues to look at alternative options.

Peter Ancombe**Question 1**

The State Government is currently undertaking a Local Government Rating Review with submissions open until 1st November.

Has the Council considered the issues raised in the Review discussion paper as well as the views of others and is it making a formal submission on the review?

Response by Director Corporate Development

The Council has not considered the issues raised in the discussion paper. The Municipal Association of Victoria has released its submission last week and we are in consideration of it.

Question 2

Has the Council undertaken a detailed review of the impact of the relocation of South East Water business on the Frankston CAD over a recent 12 month period?

Response by Director Corporate Development

The Council has not undertaken a detailed review in the last 12 months.

Question 3

How does the Council manage the conflicts of interest where the Council is both the proponent and responsible authority in regard to a town planning application?

Response by Director Community Development

On occasion, a Council as a Municipal Authority is required to seek a planning permit from itself (in the role of Responsible Planning Authority) by the provisions of the its own Planning Scheme.

These applications are processed and assessed internally by Council's Planning and Environment Department in the same way that applications from members of the public are processed. Staff involved in processing an application are required to declare any conflicts of interest.

Where an application by Council to itself relates to a significant use or development, or involves high levels of community interest, the application is reported to the elected Council for decision.

These Questions Without Notice were presented at the Ordinary Meeting 2019/13 – 14 October 2019. As the submitter was in the gallery at the time, the questions and answers were read out publicly. In accordance with the Public Submissions and Question Time Policy, the questions and response(s) are published at the next Ordinary Council Meeting Minutes.

Rachel Brown

Question 1

Does the community really want to close local kindergartens in favour of this so called super Kindergarten community hub complex and what community consultation occurred to come to this decision given that there has been a petition with almost 500 signatures to stop the closure of one of the facilities?

Response by Director Community Development

Planning to enable meeting the future service demand is a core responsibility of Council. To understand the future needs, statistical/ population trend analysis including birth numbers and population movement is undertaken to forecast the number of kinder places. This includes where the demand is likely to emerge (e.g. the age profile of a community changes over time). The growing demand, particularly with the funding of three year old kinder, and the capacity of existing facilities to cater for the growth must also meet statutory regulations.

Council is currently considering the petition.

Question 2

Why can't the Maternal Child Health services be given room in the current community centre which is more centrally located in Langwarrin than the proposed site?

Response by Director Community Development

Currently, it is best practice to locate some MCH facilities with kindergartens to improve access to the service.

Question 3

Would the council consider extending the current Frankston city council shop at Gateway shops as an interim measure (given there are currently two vacant shops next to it.) for Library and Maternal health services, thus giving council extra time to plan this hub proposal to facilitate the most appropriate option for the future of the Langwarrin community?

Response by Director Community Development

A range of alternative arrangements have and continue to be considered prior to any final decision.
